PUBLIC NOTICE - 13 /2009

(Referred / amended vide P.N.No. [24/2009](#), [100/2011](#))

Subject: Implementation of Risk management system (RMS) for Imports under the Export Promotion Schemes- reg.

The Risk Management System (RMS) has been implemented for the clearance of imported goods / cargo covered under the import declarations (Bills of Entry) filed in Appraising Groups 1 to 6 and DEPB (Group 7B). This office had issued Public Notice viz.:[12/2006](#) dated 17/02/06; [13/2006](#) dated 24/02/06;[17/2006](#) dated 16/03/06;[18/2006](#) dated 23/03/06 ; [21/2006](#) dated 30/03/06; and [20/2007](#) dated 18/05/07 , vide which elaborate instructions have been issued as to how the assessment, examinations, out of charge and post-clearance audit of the bills of entry have to be carried in respect of facilitated and non-facilitated bills of entry. It has now been decided to extend the RMS to imports covered under various export promotion schemes, which include:

- (i) Advance License Scheme;
- (ii) Duty Exemption Entitlement Certificate (DEEC) Scheme;
- (iii) Export Promotion Credit Guarantee (EPCG) Scheme;
- (iv) Duty Free Entitlement Credit Certificate to Status holders;

- (v) Duty Free Certificate Entitlement Credit Certificate to SERVICE PROVIDERS;
- (vi) Duty Free Replenishment Certificate (DFRC) Scheme;
- (vii) Duty Free Import Authorization Scheme;
- (viii) 100% EOU Scheme;
- (ix) Vishesh Krishi Upaj Yojana (VKUY) Scheme;
- (x) Focus Market Scheme;
- (xi) Focus Product Scheme ;
- (xii) Served from India Scheme;
- (xiii) Jobbing-goods imported for execution of export order- Scheme

1.1 The tentative date for commencement of the same is 30th March 2009.

2.0 The instructions conveyed vide the said PNs viz.: [12/2006](#) dated 17/02/06; [13/2006](#) dated 24/02/06; [17/2006](#) dated 16/03/06; [18/2006](#) dated 23/03/06 ; [21/2006](#) dated 30/03/06; and [20/2007](#) dated 18/05/07 are applicable for the imports under the exports schemes , *mutatis mutandis*.

2.1 With this implementation, the practice of concurrent audit being followed in respect of bills of entry filed under all EP schemes, will be dispensed with. In lieu of the concurrent audit of all bills of entry under EP schemes, there shall be post-clearance audit (PCA) of the selected bills of entry only, just as in the case of Bs/E under Appraising Groups 1 to 6 and DEPB.

3.0 The importers will continue to register their Licences / Authorization / Scrips / Release Advices in the section(s) attached with respective Appraising Groups and seek a registration number, which has to be quoted in the Licence column at the time of filing the Bill of Entry.

3.1 As regards the Procurement Certificates (under 100% EOU) and Export Orders (under notification No.32/97-Cus dated 01/04/1997), the sections associated with the Appraising

Groups have been directed to maintain a register and record the details of imports under the cover of the same. Further , the procedures as laid down in the Public

Notice: [12/06](#) dated 17.02.06 and No: [13/06](#) dated 24.02.06 for registration of Bond and BG, wherever required , would continue to be followed , as has been the practice in Pre-RMS scenario.

4.0 As regards imports under the 100% EOU scheme, in the pre-RMS scenario, the procurement certificated (PC) addressed to the Asstt. Commissioner is brought in a sealed cover and the details are entered in a register. The Bill of Entry is then assessed w.r.t the PC. The PC is issued by the Central Excise Superintendent. of the jurisdictional range office on consignment basis with details of goods and Invoice No. The particulars of the PC and other details are tallied with Bill of Entry filed by the CHA / Importer in the EDI System and after verifying the same, the PC is debited / defaced by the assessing Officer (Group). The Importer / CHA then presents the debited / defaced PC to the Bond Superintendent (Supdt.), where the bonding procedure is followed and thereafter the Importer / CHA goes to the shed for out of charge, where the goods are then sealed by the Preventive Officer (PO).

4.1 Now, in the RMS Scenario, where the Bills of Entry are facilitated, there is no assessment of the Bill of Entry and the same directly goes to the Shed AO/Supdt. for out of charge(OOC). In such cases, before going to the shed for OOC, the PC received in the sealed cover shall be opened by the Bond Supdt in the Bond section who will then enter the Bill of Entry No. and the Transit Allowed (TA) No. in the PC and then the CHA/Importer will present the Bill of Entry to the shed officers ; then the shed officer has to tally the particulars of PC with the Bill of Entry and if in order, duly debit /deface the same and also comply with CCR and Examination instructions, before granting OOC.

5.0 To reiterate the general procedure, in short, the Bills of Entry will continue to be filed electronically in the ICES either through the Service centre or through the ICEGATE mode. The officers discharging the role of OOC officer will collect all the documents as mentioned in the [SO 08/2006](#),dated 24/02/2006 including those documents on the basis of which the exemption benefit is being claimed / extended.
