It has been observed that some unscrupulous importers are importing / attempting to import CONSUMER GOODS using the IEC No. of other persons, who, on verification, have been found in many cases to be fictitious in the sense that they do not exists at the given address or do not have any knowledge / idea about the import consignment, nor do they have any finance for / experience in the business of imports / exports and in fact they are dummies. Such imports by the said unscrupulous importers set a chain of economic offences starting from mis-declaring the description, value and quantity to Customs down to non-payment of Sales Tax / VAT, Income Tax, Octroi, Money Laundering, generation of black money and violations of foreign exchange laws.
2. As a preventive measure, it has been decided to look into the aspect of the genuinity of the importers, who are importing CONSUMER GOODS for the FIRST TIME through JNCH. This will be done from the documents like the following:

Once the documents (i) to (v) above are filed, import will be allowed on payment of duties applicable. If there is any difficulty in making available any of these documents, the importer may approach Additional Commissioner incharge of the Group to make relaxation.
