The concerned CFS should ensure that Gate pass is not given to such Bills of entry and they are sent to AC/DC for further necessary action.”*

- ii. Thereafter, if such containers are in a RMS facilitated Bill of Entry prescribing no examination, then upto 10% examination shall be undertaken in respect of such containers.
- iii. After such examination, in case, no discrepancy is found then the container should be released on the basis of OOC already given after writing remark on the hard copy of B/E “OOO already given in the system restored”.
