I. Attention of all the Officers is invited to the instructions issued vide Board’s Circular No. 42/2005-Cus and 43/2005-Cus. You are directed to go through these instructions carefully. These instructions envisage a major change in the manner in which the Customs Department will be functioning in future. You would accordingly need to ensure that we rise up to the task and change our attitude to ensure that the right balance between facilitation and enforcement is maintained. The Risk Management System is likely to be introduced shortly on a date to be notified soon. However, in the meantime the following tasks have to be completed urgently by each one of the respective Group Dy./Asstt. Commissioner:

1. All cases of provisional assessment in terms of issues as to why the provisional assessment is being resorted to have to be listed groupwise.

2. All case of SVB assessments will have to be listed groupwise.
3. All cases where there is a variation between the values as advised by the Directorate of Valuation by its alerts and values as have been adopted by us at the time of assessment groupwise should be listed.

4. All cases of SIIB, local alerts issued on the basis of SIIB/CIU recommendations, details of suspect CHAs/Companies/Importers and commodities should be done by SIIB.

5. All CRA objections which have become DAPs should be listed. This task should be done by DC/Audit.

It is essential that this exercise is completed within two weeks. This is an essential requirement for the successful operation of RMS. The Jt. Commissioners will supervise this task and ensure that these get completed within the time schedule prescribed.
