STANDING ORDER No. 29/2008

Detailed analysis of the EDI data with regard to EGM errors reveals that a substantial number of errors are on account of the cancellation of the Let Export Order (LEO) already granted, in order to permit certain genuine pre-shipment amendments. Since such amendments were already permitted, the rectification of such errors owing to the pre-shipment amendments shall be considered without being applied by the concerned Exporter / CHA.

2. A suitable report-menu has been provided in the EDI system (Option No:18 & Sub-option No:15 in the AC/DC's Menu) to access the list of such errors owing to the pre-shipment amendments. The Asstt./Dy.Commissioner (Export) incharge of the EGM Co-ordination Unit (ECU) shall periodically access such data pertaining to the errors on account of the pre-shipment amendments and rectify the same by forceful entry / submission, in order to remove the said error and generate the EP copy of the relevant S/Bill.
3. The Asstt./Dy.Commissioner i/c. of ECU is authorized to rectify such errors without prior permission of the concerned Jt./Addl.Commissioner. Relevant Standing Orders issued in the past in this regard stands modified to the above extent.

4. Similar report-menu is also provided to the Jt./Addl.Commissioner (Option No:4 S/B details & Sub-option No:23-EGM ERR Details for L) to facilitate monitoring of such error pendancy.

5. It may be noted that the errors arising due to the actual sailing of the Vessel, on which the relevant export goods/container was loaded, prior to the granting the 1st LEO itself, needs to be examined separately.

6. Difficulties, if any, in this regard shall be brought to the notice of the concerned Jt./Addl.Commissioner and the System Manager who could co-ordinate with the personnel of the NIC and sort out the matter.
