OFFICE NOTE

Subject: Waiver of late charge raised due to delay in presentation of Bill of Entry pertaining to vessel Hansa Duburg IGM No.- 2187065 dated 09.02.2018 – reg.

On 10.02.2018, the Master of the vessel **Hansa Duburg** through their agent Poseidon Shipping Agency submitted the Import Report for vessel **Hansa Duburg** and obtained Entry Inward for the same at 1303 Hrs on 10.02.2018. The vessel was allotted IGM No.-**2187065** dated **09.02.2018**. However, it was found that information submitted by the Agent of the vessel **Hansa Duburg** was incorrect. This vessel was slated to arrive at JNPT port on 15.02.2018 at 06:24 hrs.

Attention is invited to Standing Order No- 33/2017 dated 09.10.2017 in its para 4 which mandates that

“Where the importer files an advance/prior bill of entry, it will be incumbent on the importer to get the same regularized in the system within 24 hours of entry inward.”

However, In the case of the vessel **Hansa Duburg** IGM No.-2187065 dated 09.02.2018, some importers may not be able to file Bills of Entry for their import consignments within stipulated time. Therefore, for calculation of late charge, the entry inward date is to be considered as 15.02.2018 at 06:24 hrs(actual arrival date of the vessel).

This may be treated as one time measure and should not be quoted as precedent.

This issues with the approval of Commissioner of Customs (G).
