OFFICE NOTE

Subject: - Examination and the Feedback report of the containers marked suspicious by Container Scanning Division, JNCH -reg.

Attention is drawn to earlier Office Note of even no. dated 30.07.2015 and Public Notice No. 04/2019 dated 04.01.2019.

The containers scanned and marked suspicious by Container Scanning Division are being sent to Docks with their scanned images for examination and clearance under the supervision of AC/DC (Docks). The feedback report of such containers are to be forwarded to CSD on daily basis. However, it has been observed that many times no feedback is received in Container Scanning Division as to whether any violation in terms of mis-declaration of cargo, weight or non-declared goods have been found by the Docks officer at the time of examination. In view of this, it is directed that a daily report of suspicious containers, whose images are furnished to the Docks, must be forwarded to Container Scanning Division in the enclosed proforma at csd.jnch@gov.in. Timely feedback from the Docks is necessary as it helps in further improving the efficiency and performance of scanning division. Further, in cases where no discrepancy is observed, the same may also be mentioned in the "Remark" column. Remarks to this effect should also be entered in the ICES 1.5 menu invariably. All concerned should ensure compliance of this order.

This issues with the approval of the Commissioner of Customs NS-III.
