New Points

Points by BCBA:-

Point No.1:

In Export Shipping Bill, there is no option for E-Sanchit offloading of Missing documents after submission of Shipping Bill for registration and LEO process. As compared with imports Bill of Entry we can process submission of E-Sanchit correct documents in CMC Department approved by concerned AC/DC.

In view of above, members are facing tremendous problem for amendment / submission of additional documents as required by proper officer. Sometimes concerned Deputy Commissioner suggesting to cancellation of Shipping Bill and allowing for filing of new shipping Bill with proper E-Sanchit documents.

Discussion: - The Chair informed that the subject matter has been taken up before the DG/System through mail on 23.07.2019.

(Issue Closed)

Point No.2: Blanket Permission for processing SB and LEO in view of E-Sanchit Module failure:-

As you are aware that the E-Sanchit module on ICEGATE system is not functioning on regular basis. When there is E-Sanchit Module failure we request that a blanket permission be given to file Shipping Bill without E-Sanchit & process the same SB further for completion of LEO accordingly.

Discussion: - The Chair informed that since the breakdown of system and the duration can not be predicted in advance. Such blanket permission can not be given.

(Issue Closed)

Point No.3: Frequent Breakdown of ICEGATE system:-

We wish to bring to your kind notice that since past few days, ICEGATE System is witnessing frequent breakdown, due to which export clearance is getting hampered severely. This has resulted in increase in dwell time for clearance and also the transaction cost.

In larger interest of timely clearance of Export shipments, we request you to kindly take up the matter with Authorities to ensure proper functioning of ICEGATE.

Discussion:- The Chair informed that the subject matter has been taken up before the DG/System through mail on 17.07.2019 and the said issue has also been escalated to MTNL and TATA to solve the issues on local level.

(Issue Closed)

Points from CFSAI:-

Point No. 4:

During Export S/Bill check list upload, it is requested that JNCH May consider making CFS CUSTOMS CODE mandatory and the concerned Exporter / CHA may be advised to fill up CFS Custom Code and data can be exchange with concerned CFSs from ICEGATE through message exchange. This will help CFS to have details in advance before arrival of export cargo at the respective CFS. Since this data exchange will also flow thru' PCS 1.0 X when fully commissioned, during our discussions with IPA (Indian Port Associations) for on-boarding of PCS module one of the main difficulties envisaged in message exchanging of Export S/ bill Check list data is non-availability of this particular field.

Discussion: - The Chair informed that the subject matter has been taken up before the DG/System through mail on 23.07.2019.

(Issue Closed)
