3) **BCBA के द्वारा उठाया गया कार्य बिन्दु / Agenda Points raised by BCBA**

i. **कार्य बिन्दु संख्या 01/Agenda Point No.01: Process for generation of Test report at Group**

(a) In case of several commodities (example CTH 38089340/5703.29.80)- FAG are not considering previous test report and insisting on sampling. There are challenges being faced in generating test report from docks due to which same is required to be generated from group. The file for permission in this case is sent to the Additional Commissioner in all cases, and this process in e-office is taking considerable time. Also, such TR can be generated well in advance by the Group AO, to avoid delays.

प्रतिक्रिया/Response:-

The matter will be looked into and examined. Necessary steps will be taken to address the issue including amendment in the Public Notice issued in this regard.

(बिन्दुसमाप्त/ Point Closed)

ii. **कार्यबिन्दुसंख्या 02/Agenda Point No.02: Delay in Faceless Assessment, no response despite AEM.**

(a) There are several cases of significant delays being experienced across several FAGs and despite raising the same in AM-timely resolution of the same is yet to be awaited.

(b) Many cases are brought to knowledge of TSK through timely e-mails, however the resolution takes significant time.

प्रतिक्रिया/Response:-

Department may be approached in case there is delay in assessment. However, it was pointed out that on receipt of such information the matter is always taken up on priority with the Concerned FAG.

(बिन्दुसमाप्त/ Point Closed)

iii. **कार्यबिन्दुसंख्या 03/Agenda Point No.03: Increase in number of queries including first check and 100% examination order.**

We are compiling list of cases to be shared with department. However, requesting sensitization to be done across FAGs towards adhering to multiple Board Circular and Instructions towards expeditious assessment and clearances.

100% order is being given in RMS waiting Bills of Entry. Trade requested that such RMS waiting Bills of Entry be diverted to PAG rather than FAG.

प्रतिक्रिया/Response:-

The details of specific Bills of Entries may be shared by the trade at the time of examination and query so that the matter may be examined and necessary steps may be taken.

Data will be retrieved from system for such Bills of Entry and analyzed to address the issue in such cases.

All DC should find out the percentage of such Bill of Entry where no RMS instructions are given and the Appraising Officer has given 100% examination order.

(Action – AC/DC Group I, II, II(A-B),II(C-F),
IIG,II(H-K), III, IV, V, V(A), V(B), VI).

iv. **कार्यबिन्दुसंख्या 04/Agenda Point No.04:**

There are increasing cases of valuation queries being observed at the time of Out of Charge, either at Docks or RMS cell. It is requested that directions be clarified on grounds for raising valuation queries at time of Out of Charge.

प्रतिक्रिया/Response:-

As far as RMS is concerned, there is no such specific cases brought to its notice.

As far as Docks is concerned, if there is an apparent under valuation, the Docks office should raise the issue with the approval of the JC/ADC Docks. At the time of Out of Charge by RMS/FC, the docks officer has to refer the issue to both the Group as well as the post clearance audit as provided in the Board's Circular in this regard.

(बिन्दुसमाप्त/ Point Closed)

v. कार्यबिन्दुसंख्या 05/Agenda Point No.05: Non-updation of IDPMS portal.

There are various instances wherein IDPMS messages are not being updated in the portal. This is creating difficulty to Importers. This issue was addressed in the ACC PTFC meeting held on 30.06.2023 and ACC Customs have informed that those members who are facing IDPMS problems of their Importers at ACC, Mumbai are requested to contact EDI section, ACC, Mumbai who have assured that the issue will be referred to RBI/DG Systems to resolve the same as recorded in the minutes of the ACC PTFC meeting held on 30.06.2023.

We request that similar instruction may kindly be given at JNCH to resolve IDPMS issues.

प्रतिक्रिया/Response:-

The concerned authority at JNCH may refer the issue to RBI/DG systems to resolve it as soon as possible.

(Action pending- EDI)

4) CSLA के द्वारा उठाया गया कार्यबिन्दु /Agenda Points raised by CSLA

i. कार्यबिन्दुसंख्या 01/Agenda Point No.01: Erratic functioning of ICEGATE System –

ICEGATE system is functioning erratically since last few weeks. Shipping lines are unable to file IGM/EGM on time. This issue has been flagged to the ICEGATE team on many occasions. But there is no response from them. ICEGATE system works for 5-10 minutes only and thereafter it stops functioning for another 4-5 hours. Sometimes files are accepted in ICEGATE 1.5 version and sometimes files are accepted in 2.0 version. The IGM acknowledgment is generated properly in 1.5 version with BL & Container wise validation status. But in 2.0 version the output file is not generated properly. ICEGATE system throws the error "header validation failed" for 4-5 times when a file is uploaded in a new version, thereafter the same file is accepted. This delays the inward entry process and leads to late bill of entry filing / penalty cases. JNCH is requested to take up this matter with ICEGATE and provide resolution to avoid last minute hassles.

प्रतिक्रिया/Response:-

Whenever such breakdown happens it should be immediately be informed to the authority so that it can be resolved as soon as possible after getting verification from DG systems, EDI. Hence, it was also explained that JNCH has always taken proactive steps to address such issues in the past.

ii. कार्यबिन्दुसंख्या 02/Agenda Point No.02:

Weightment slip duly endorsed by CFS to be accepted as weight proof for gross weight IGM amendment – Presently the amendment application for change in gross weight is forwarded to dock officer for weightment verification. The docks officer endorses the weightment slip basis on CFS endorsement only. This delays the amendment process at least by 2 days. However, the weightment slip duly endorsed by CFS is submitted by the applicant along with the amendment application itself. The amendment processing time can be reduced if weightment slip duly endorsed by CFS is accepted by the import department. JNCH is requested to consider this request to avoid undue delay in the amendment process.

प्रतिक्रिया/Response:-

During the PTFC meeting it has been clarified that the endorsement may be done by the Superintendent Admin or Appraiser Admin instead of the Deputy Commissioner of Customs in respective docks. Further, any difficulty in this regard be brought to the notice of the concerned Commissioner of Customs.

The IGM Amendment will be done as per Law.

(बिन्दुसमाप्त/ Point Closed)

5) Additional Agenda Points raised during PTFC meeting :-

(i) DPD CFS storage charges –

प्रतिक्रिया/Response:-

The issue of ground rent / storage charges in case of DPD- CFS shall be discussed separately with all the stake holders such as BCBA/ CSLA/ MANSA/ Port terminal in a meeting to be held under chairmanship of Commissioner of Customs(General). Meanwhile, it was informed that the Customs Authority has no issue as far as there is no revenue loss to the Government of India whether the shipping line or CFS is build in this regard.

(बिन्दुसमाप्त/ Point Closed)

(ii) Containers not getting cleared under FIFO –

प्रतिक्रिया/Response:-

The issue of ground rent / storage charges in case of DPD- CFS shall be discussed separately with all the stake holders such as BCBA/ CSLA/ MANSA/ Port terminal in a meeting to be held under Chairmanship of Commissioner of Customs (General).

The Chair also emphasized that as far as possible FIFO should be implemented by Port Terminal in letter & spirit.

(बिन्दुसमाप्त/ Point Closed)

6) The meeting ended with a vote of thanks to the Chair.

7) This issues with the approval of the Commissioner of Customs, NS-I.

Any amendments to these minutes be provided within next four days.

9) Minutes are placed on the JNCH website and also sent through emails to the members.
