4. कार्यविन्दु/AGENDA POINTS:

**बी.सी.बी.ए. के द्वारा उठाया गया कार्यविन्दु /Agenda Points raised by BCBA**

**कार्यविन्दु संख्या01/Agenda Point 01: Bonding procedure-** After bonding of the goods, members have to approach custodian for receiving of the goods and same has to be produced to Bond department physically or else ex-bond B/E cannot be filed.

PTFC meeting held in June 21<sup>st</sup> was referred to, wherein it was agreed that the report of Bonded Goods through email should be accepted instead of

physically. The same was recorded in the minutes but not being implemented by Bond Dept. Hence we request to kindly issue a guidelines or suitable instruction/Public notice in this regards.

**प्रतिक्रिया/Response:** *The issue of Communication of receipt of bonded goods through e-mail has been accepted. The SOP to be put in place for the same, is being devised and will be issued in due course of time.*

[बिन्दु समाप्त/Point Closed]

**कार्यविन्दु संख्या 02/Agenda Point 02: Wrong Examination orders being given by FAG officers are delaying Clearances:-** We refer to Standing Order No.65/2016 regarding Examination & Assessment of RMS facilitated Bill of Entry. It has been brought to the notice that Examination orders are being issued by FAG, whereas as per Standing Order, Examination order is not required. Further there is a specific instruction for "Examination has not been prescribed for this B/E, So examination order is not given." Then after also Examination order has been given by the FAG. We are attaching herewith the sample order for your ready reference. Further, 100 % Examination orders are also being given by the FAG whereas no any instruction by the RMS/Target or any other authorities.

**Suggestion:** We hereby request you to kindly note and avoid such type of order or suitable instruction to be issued to the concern Dy. Commissioner of Docks/RMS to overrule the examination order except if any RMS/Target instruction or any specific instruction given by any authorities.

**प्रतिक्रिया/Response:** *No such arbitrary orders are being given by the groups at JNCH. Examination orders are being given as per the instructions of RMS/CCR/other agencies. If any such orders are given by the FAG Group with the approval of JC/ADC in-charge of the said FAG and to the effect JC/ADC approval is recorded in the ICES, such order will be complied with by the Docks. If such Examination Order is given by the FAG at their own level and is at variance with relevant standardized examination orders of the NAC, the Docks Officer may bring it to the knowledge of JC/ADC in-charge who will prescribe the appropriate examination order/norms by recording his decision with reasons in the system and Docks officer will conduct the examination as per revised instructions.*

[बिन्दु समाप्त/Point Closed]

**कार्यविन्दु संख्या 04/Agenda Point 04: Permission for the advance registration of First time importers /exporters:** As per the current practice of registration of first time imports, live B/E or S/B is required, which delays the clearance, resulting detention and demurrages for the trade. As per the earlier PTFC meeting we have requested to allow the same in advance registration before arrival of the goods. We hereby request to same has been implemented and other ports registration also to be permitted for the same. The suitable necessary instruction or P.N. to be issued.

**प्रतिक्रिया/Response:** *The issue of permission for the advance registration of First time imports/exports is being examined and necessary steps would be taken to allow the said permission after consulting the DG Systems.*

**सी.एस.एल.ए. के द्वारा उठाया गया कार्यबिन्द/Agenda Point raised by CSLA**

**कार्यबिन्दु संख्या 01/Agenda Point 01: Scanning Issue:** Customs does not allow delivery of DPD/ Non DPD containers without completion of scanning formalities. As far as delay in generation of the scanning list by JNCH is concerned, JNCH public notice no. 15/2013 is already in place for CFS containers, according to which, if the scanning list is not generated till 8 hours of the berthing of the vessel, the movement of the containers can be done to the CFS. However, those shipments will be required to be examined 100% at the CFS.

As far as the DPD containers are concerned, non-generation/delayed generation of the scanning list is severely impacting evacuation of DPD containers. We therefore request JNCH to provide an alternative option so that DPD containers can be moved at least within 8 hours of the berthing of the vessel in case of non-generation / delayed generation of scanning list. Any delays in movement will only delay the eventual availability of containers for exports which the country can ill afford. While on the one hand, the shipping lines are repositioning empty containers into the country at a huge cost, to help the export trade, on the other, delays such as the ones mentioned above, undermine all such efforts made by the lines.

**प्रतिक्रिया/Response:-**

**Generally the scanning list is being generated on time. However, due to system related problem in some cases there is delay in generation of scanning list. Further for these exceptional cases there has been elaborate procedure laid down in PN No. 31/2021, 04/2019 and PN No. 15/2013.**

**As per procedure laid down at Para 12 of Public Notice No.31/2021 Dt. 30.03.2021, it is quite clear in case of non-generation of scanning list the following procedure be followed:-**

- i) In the case of DPD-CFS and Non DPD containers, after completion of 08 hrs. of entry inwards, if the scanning list remains to be generated, the CFS shall be allowed to move the containers to the respective CFS to avoid congestion inside the Port. In the case of DPD-DPD the containers continue to be inside the terminals as allowed by the terminals as per the existing procedure.**
- ii) If the scanning list is generated after the movement of the containers to the respective CFS within 24 hrs., the container selected for scanning shall be diverted to DTCS for scanning.**
- iii) In case of non-generation of scanning list even after 24 hrs. all the containers except the container originated /coming from Pakistan and container of HMS shall be allowed to be examined / cleared by the Docks staff as per rules and containers from Pakistan and containers of HMS shall be scanned at the DTCS and thereafter cleared as Para No.6 of PN 15/2013 dated 07.05.2013.**

**However, the request pertaining to DPD containers and Empty containers will be examined for better facilitation.**

आई.एम.सी. के द्वारा उठाया गया कार्यबिन्दु/Agenda Points raised by IMC Shipping and Logistics Committee

कार्यबिन्दु संख्या 02/Agenda Point 02: During the last 2-3 weeks, there is a considerable delay in Generation of Bill Of Entry numbers, leading to late filing penalties being imposed.

We then are required to seek waivers, which results in clearance time being effected and containers incur warehouse and detention charges.

It is requested that during such periods, when there's System delays, late filing fine/penalties must automatically be waived, thereby saving the trade from undue delay in clearance of their consignments.

प्रतिक्रिया/Response:-

**The issue of delay in generation of Bill of Entry Numbers has been flagged to DG Systems through email dated 18.11.2021 for proper solution and the DG Systems has informed that the issue would be resolved shortly.**

[बिन्दु समाप्त/Point Closed]

कार्यबिन्दु संख्या 03/Agenda Point 03: Further, an area of concern is that Automatic Regularization of BE from Advance / Prior to Final is not happening and Custom Brokers are having to file an Amendment in order to regularize the Bill of Entry.

As a result, the Final Processed Print of Bill of Entry is also no longer being received for Bills of Entry filed in Advance and Prior Modes.

It was assured that these instances would not occur, but sadly still happens regularly.

प्रतिक्रिया/Response:- **The issue has been flagged to DG Systems through email dated 18.11.2021 for proper solution, the DG Systems team is working for early resolution of the same. However, the trade is advised to submit detailed observation to examine the same at this end and for sending proposal to DG Systems.**

[बिन्दु समाप्त/Point Closed]

कार्यबिन्दु संख्या 04/Agenda Point 04: Examination Instructions which are now being received via email after goods registration, very often are not received at all.

The Old systems wherein examination Order was mentioned on Final Print of Bill of Entry, May kindly be restored, as it saved considerable time and ensured expeditious clearances.

प्रतिक्रिया/Response:- **The issue has been flagged to DG Systems through email dated 18.11.2021 for proper solution, the DG Systems team is working for early resolution of the same.**

[बिन्दु समाप्त/Point Closed]

कार्यबिन्दु संख्या 05/Agenda Point 05: Once BE is Out of Charge, there is a significant delay in receiving the online Prints of the \*Out of Charge copy\* and the \*Gatepass Copy\*.

**प्रतिक्रिया/Response:-** The issue has been flagged to DG Systems through email dated 18.11.2021 for proper solution, the DG Systems team is working for early resolution of the same.
