F.No. S/V-30/Misc-49/2007 CSD JNCH Date: 27-11- 2007

FACILITY NOTICE NO: 50/2007
(Referred / amended vide P.N.No. [13/2008](#), [62/2008](#))

It has been brought to notice that many containers selected for scanning are not being placed by the CFS for scanning but are being taken directly to the CFS without scanning. This non-reporting of the selected containers is defeating the very purpose of the scanning on one side and causing inconvenience to the trade on the other. All such containers which are received by the CFS without scanning are to be examined 100% by Customs docks staff. However, other containers belonging to the same consignment, which are not selected for scanning need not be examined 100%, but may be cleared as per normal procedure.

Part delivery of such containers can also be given provided they fulfill the eligibility norms prescribed in this regard vide [Facility Notice No. 47/2007](#) dated. 07-11-2007 and deemed fit by the competent authority.

Where a container marked for scanning has not been scanned, the CFSs are required to immediately inform the concerned importer.
