PUBLIC NOTICE No.63/2011

Subject: Allowing clearance of factory stuffed export containers including self sealed containers based on LEO on Check List pending shipping bill print • Regarding.

08.04.2011. It has been reported by trade, Customs House Agents Association and Officers in the sheds that due to connectivity problems in the CFS under the newly migrated EDI 1.5 system, the printing of shipping bills (SB) after LEO has been granted in the system is taking time which leads to shut out of cargo since shipping lines cannot load the containers onto the vessel unless the goods are accompanied by a SB which has been duly given LEO by the Superintendent of Customs. This delay also leads to congestion in the CFS and the ports.

3. Shall be rev	This procedure shall be in force till 30 th April, 2011 and the same viewed on 1 st May, 2011 depending on the response of the 1.5 EDI system.
4. Q be strictly f	The above guidelines come into force with immediate effect and shall followed by the concerned officers and staff.
5. ������Any difficulty noticed in the implementation of this Standing Order may be brought to the notice of the undersigned.
