Subject: Procedure for inter CFS transfer of export goods where LEO has not been given Regarding.

Trade and members of various Associations had represented that inter-CFS transfer of export goods where LEO has not been given may be allowed. The representations have been examined. The procedure was discussed and accepted in the Open House Meeting of the Chief Commissioners of Customs, Zone-I, II, & III with the representatives of the Trade and Industry Associations held on 22.10.2009.

2. Accordingly, it has been decided that the following procedure shall be followed in the case of inter-CFS transfer of export goods where LEO has not been given:

- (i) The exporter / CHA shall submit a letter of request for transfer of export goods to another CFS to the AC/X incharge of the CFS where the goods are already carted, alongwith the reasons for transfer of the said export goods. The exporter / CHA shall also obtain prior approval of the AC/X of the receiving CFS and submit the prior approval so obtained alongwith the letter of request.

- (iii) The package / consignment shall be identified by the custodian of the transferring CFS before loading of the said package / consignment for transport.

- (iv) Loading/Unloading shall take place under customs supervision and the movement from one CFS to another CFS shall be under Customs escort on payment of MOT charges.
- (v) The request for inter-CFS transfer of export goods shall be made at least 48 hours prior to the cut-off time by the respective shipping lines so that sufficient time is available to customs officers for examination.
