F.No.S/3-Misc-13/2007 JC(PB)

STANDING ORDER NO. 46 ♦ /2007

Sub:- Facility of part delivery of import consignments • reg.

examination and clearance of import consignment is invited towards the facility of part delivery of import consignments being introduced by Jawaharlal Nehru Custom House.

- 4. ������All the importers desiring to avail this facility shall make an application to the concerned Assistant Commissioner/Dy. Commissioner (Docks) with the

necessary documentary evidence supporting their claim. The Assistant/Dy. Commissioner shall give the necessary permission on the merits of the case subject to the condition that packing list is available container wise and goods are homogeneous in nature(raw materials, parts etc.) The RMS facilitated consignments where no assessement and no examination is prescribed will also be allowed part delivery by the AC/DC. If the case does not fall in the categories mentioned above the application should be made to the Jt.Commissioner (Docks), who will permit part delivery on a case to case basis depending on merits of each case. On permission being given for part delivery, the Docks Appraiser will register the Bill of Entry in the EDI system for monitoring the compliance requirements as prompted by the system and will make a note of the same, if any, on the hard copy of the Bill of Entry so presented. The Appraiser after examination of the part consignment shall record the examination report on the reverse of the hard copy of the Bill of Entry. Subsequent examination reports in respect of all part clearances shall be continued to be endorsed on the same hard copy of the Bill of Entry. • After examination of the final part of the consignment, it will be the responsibility of the Appraiser to record the examination report in respect of the total quantity cleared, in the **\Phi**Examination Report column of the EDI system. Thereafter final out of charge shall be given for the entire consignment in the system. The relevant details shall also be maintained by the Appraiser, CFS wise, in a register as per Annexure **A**.
