F.No. S/22-Gen- 20/2020-21/ AM (I)/JNCH

Dated: 21.10.2020

STANDING ORDER No. - 38/2020

Sub: Faceless Assessment - Enhancements and certain clarifications related to reports available to Assessing Officers (AOs and AC/DCs) in ICES - reg.

Attention of all the officers and staff of JNCH is invited to the ICES Advisory No. 39/2020 dated 16.10.2020 on above mentioned subject. Reference is also invited to ICES Advisory No. 38/2020 dated 14.10.2020 and JNCH's Standing Order No. 36/2020 dated 15.10.2020 wherein enhancements made in the reports available to concerned officers (VAO and VDC) of the FAG sites were mentioned among other things. To further assist the FAG officers, increased visibility has now been provided in the VAO and VDC roles. Target number of Bills of Entry (BEs) for processing have also been added on the officers' screens to help them plan the day's work accordingly. The screen by screen details of the reports have been explained in the **Annexure-A**.

2. In addition, explanations have been added appropriately as footnote to the reports to help officers in knowing the description of the data being displayed. For example, pending document report was being seen by the officer to ascertain the quantum of work allotted to him even though the report showed only those BEs which were already processed by the officer once but **returned** to the officer after query reply from importer or first check etc. To avoid confusion, the specific report has been suitably re-named as "Returned and Pending" along with explanation footnote.

3. Further for clarity, it is re-iterated that the officer will continue to get BEs on her/his screen automatically one after the other as long as there are any unallocated BEs for the group allotted to the officer. The total number of unallocated BEs for that group across the country are also being shown to both the VAO as well as VDC in the report now. The officers should attempt to meet the daily zonal target as indicated in the Target-Processing Summary report and continue assessing more if there are unallocated BEs for that group. If there are no unallocated BEs for the group, VAO will not get the next BE and a screen as given in **Annexure-B** will appear on the main Appraising BE menu. If this screen

gets displayed to a VAO even when there are unallocated BEs for her/his group(s), it may kindly be brought to the notice of DG(Systems) on team.ices@icegate.gov.in with the screenshot of the Appraising BE screen and Target-Processing screen (which has the Unallocated number) along with the SSO ID of the officer.

4. It is also clarified that where any VAO has multiple groups allotted to her/him, she/he will first receive the BEs based on FIFO (First-In, First-Out) for the group with oldest pendency of unallocated BEs. For example, if an officer has Group 2A, 1A and 4 allotted to her/him and there are still some unallocated BEs of Group 4 which are 2 days old while only current day's BEs are there for Group 2A and 1A, the officer will receive BEs of Group 4 first till the unallocated pendency in that group comes at par with other groups allotted to the officer. This aspect may kindly be kept into consideration while allocating assessment groups to VAOs.

5. Difficulty, if any, faced in implementation of this Standing Order may be brought to the notice of the Addl. /Joint Commissioner (Appraising Main (Import)) through email at appraisingmain.jnch@gov.in for onward submission to saksham.seva@icegate.gov.in and team.ices@icegate.gov.in.

4. All Sections/Group of NS-G/NS-I/NS-II/NS-III/NS-Audit/NS-V, JNCH.
5. AC/DC, EDI for uploading on JNCH website immediately.

(ii) Returned and Pending

This report lists down only the BEs pending in the officer's queue which were already processed by the officer once but **returned** to the officer after query reply from importer or first check examination report or for certain clarifications between VAO and VDC.

(iii) Pending with VDC

This report is available **only to the VDC** officer. It lists down the BEs which have been marked by the VAO to VDC and are pending in VDC queue. Since now one group at an FAG site can have multiple VDCs, these BEs will be automatically allotted to the available VDC officer.

The screenshot displays the 'Pending With VDC' report within the Indian Customs EDI System. The header shows the system name and version (V1.5) along with the location (CUSTOMS HOUSE 60, RAJAJISALAI, CHENNAI-600001). The navigation menu includes 'Target-Processing Summary', 'Returned and Pending', 'Pending with VDC' (selected), 'Pending Amend Approval', and 'Proce'. The main content area features a large title 'Pending With VDC' and a 'Total Pending: 2' indicator. Below this is a table with columns for Serial No., BE No., BE Date, AG, and Activation Reqd?. The first two rows of the table are populated with data: Serial No. 1, BE No. 9187924, BE Date 15-OCT-2020, AG 4; and Serial No. 2, BE No. 9199444, BE Date 16-OCT-2020, AG 4. Each row has 'View BE' and 'BE Status' buttons. A note below the table explains that these are documents assessed by the VAO and pending in the VDC queue, with the serial number indicating the sequence for allotment to VDC officer(s). An 'Exit' button is located at the bottom right.

Serial No.	BE No	BE Date	AG	Activation Reqd?		
1	9187924	15-OCT-2020	4		View BE	BE Status
2	9199444	16-OCT-2020	4		View BE	BE Status
					View BE	BE Status
					View BE	BE Status
					View BE	BE Status
					View BE	BE Status
					View BE	BE Status
					View BE	BE Status
					View BE	BE Status
					View BE	BE Status
					View BE	BE Status
					View BE	BE Status

Note : These are documents which have been assessed/marked by the VAO and pending in VDC queue, waiting to be picked up by any of the group VDCs at this site, Serial No indicates the sequence in which these documents will be allotted to VDC officer(s).

Exit

(v) Processed Documents

This report lists down documents which have been processed by the officer in a given period. Officer can enter the “From” and “To” dates for any past period also. The report will include all the BEs that the officer has processed in the given period which includes BEs assessed as well as query raised BEs, first check BEs, etc.
